

Experience

The Direct National Difference

Direct National has been an Australian owned and operated business for over 20 years.

We provide the following quality solutions for business, education and childcare sectors:

- Interactive touch panels
- Interactive projectors
- Interactive white boards
- Audio visual products
- Binding machines and supplies
- Laminating machines and supplies
- Guillotines
- Paper shredders, folders and trimmers
- Staplers, hole punches and much more!

Our friendly staff are available to provide competitive pricing, customised quotes and technical support to assist you from product selection right through to implementing the new equipment into your daily routine.

Contact our office today and experience the Direct National difference.

People & Objective Focused

We pride ourselves in good old fashioned friendly customer service, fast follow up and maintenance support with all of our customers. When you deal with us, you will deal with the same person working towards delivering what you want, when you want it!

5% Price Beat Guarantee

Our product and service pricing model is industry leading. We'll guarantee to beat any other prices quoted for the same product or service that we offer by a guaranteed 5%.

Money Back Guarantee

Have confidence knowing you're dealing with the best. We stand by our brands, so much so that we provide a 100% Money Back Guarantee* on all services and products that we offer.

We Come To You!

We offer a reliable and economical way to upgrade into new technology. From product selection, trade up specials, installation and delivery right through to product training we can help every step of the way.

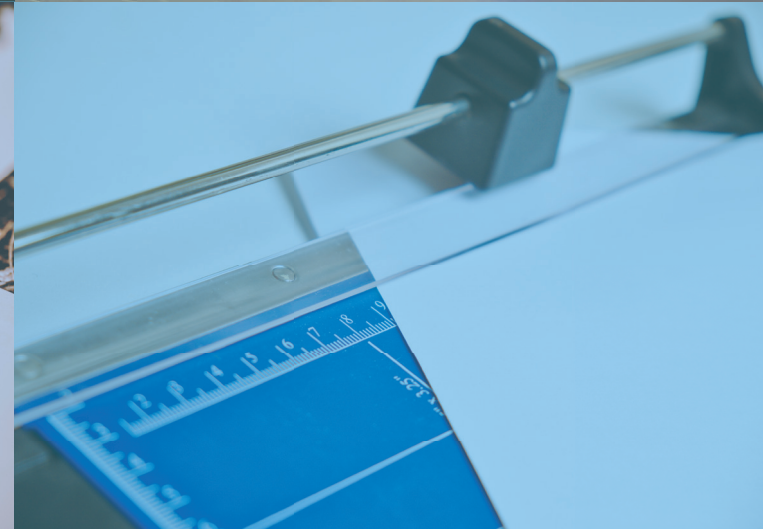

The Full Package

Our reliable technicians offer installation packages for a seamless delivery. Ensuring you not only look the part, but from day one, you can integrate the new technology into your daily routine like you had it up and running the entire time.

Training & Education

Become a product master in no time. Flexible face-to-face or online training sessions are available to ensure you get the most out of your new equipment.
